JANUARY 28, 2012

This event is for the pure joy of getting together and having fun with our Berners. We have a warm cabin with all the comforts of home where the dogs and their people are all welcome. Lunch will consist of hot chili, soups, side dishes and desserts. Outside is a park where we can romp with our Berners or take a walk along the creek side. After lunch is the raffle, then we leash up the dogs for a walk on the

White Pine Trail through the quaint City of Rockford located along the Rogue River.
