~ AKC RALLY ~

Lecture by Mary Burney * Demonstration by Nancy Jean

Mary Burney is a breeder of Springer Spaniels and is the President of the Ann Arbor Dog Training Club. She is an instructor and also a participant in Rally Obedience.

Nancy Jean has had Berners since 1991. She competed in conformation with her first Berner, Hansi, being a conformation Champion and Utility Dog. Her main interests now are obedience and rally.

“Rally-O” (rally obedience) is the new sport that is taking the nation by storm!

Rally offers both the dog and handler an experience that is FUN & ENERGIZING!

Rally gives the average pet & owner team a feeling of accomplishment, but can be very competitive at higher levels.

The dog and handler move through a rally course of 10-20 signs that indicate the next exercise.
